

Become a Kubu® Pro and Grow Your Business

Become a Kubu® Pro and start selling Kubu Equipped Doors. Kubu will give you a differentiator over your competitors, allowing you to win more business.

How does the process work for installers?

1. Sign up to become a Kubu Pro Installer

Register on the Kubu website and get access to an exclusive online resource centre at: www.pro-kubu-home.co.uk

2. Start buying Kubu Equipped Doors from a Kubu Pro Fabricator

Kubu Pro Fabricators will fit Kubu Equipped Locks into their doors during fabrication, so you as the installer won't have to do any additional work.

3. Get set for smart

As a Kubu Pro installer, we'll help you get set for smart with marketing and showroom support.

4. Homeowners purchase Kubu Kits

Once you're all set and you're installing Kubu Equipped Doors, you will need to guide homeowners to purchase their Kubu Kits directly from the website: www.kubu-home.com

Any problems that homeowners have during or after set up, they should contact the Kubu support team directly who are fully trained to deal with all enquiries: **0330 555 9545**

Why homeowners will love Kubu®

1. Kubu is extremely easy-to-install. Homeowners will set up Kubu themselves by simply placing their Door Module into the **Kubu Equipped Door**, plugging in their Home Hub and downloading the Kubu App.

2. Kubu is battery powered, long life and low energy – the batteries can be easily replaced by the homeowner.

3. With Kubu, homeowners will never have to worry if their door is unlocked again. Kubu provides guaranteed peace-of-mind, so that homeowners can say goodbye to uncertainty and be sure their home is secure.

4. Homeowners can remain using the traditional way of locking with a key, while still getting smart.

5. It's affordable and the homeowner has a choice if they would like to upgrade.
