

Benefits of Fitting Smart Doors

Be Sure You're Secure, with Intelligent, Alarmed Doors & Windows.

Only from Kubu.

WIN more sales!

Whether you are selling a single door, or a whole house fit out, Kubu represents a modern differentiator that will help you stand out from your competitors.

Future-Proof Homes

Consumers LOVE monitoring their Smart homes. By fitting Smart Doors and Windows, you are providing your customers with a security system for now and the future.

Fit it. Forget it.

Kubu sensors are completely concealed within the frame, and do not alter the appearance of your customers new doors and windows, yet provide all the security benefits expected from smart technology.

No Additional Work

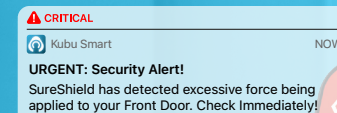

By fitting doors and windows that 'Work with Kubu' there is no additional work at the point of installation for your fitter, but all the additional benefits of being a Smart Installer.

Tried and Trusted

There are over 2 million locks that work with Kubu in the market, and our award winning technology has been live in consumers' homes for over 4 years.

Zero-Hassle

Our in-house support is the first point of call for your customers, so you can be a smart installer, without the headache of providing support.
